**NOTES:**

1. A Member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote instead of himself and such proxy need not be a Member of the Company. The proxy, in order to be effective, must be duly completed, stamped and signed and should be received at the Registered Office of the Company not less than 48 hours before the commencement of the meeting.

A person can act as a proxy on behalf of the Members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A Member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder. A proxy form is sent herewith. Proxies submitted on behalf of the Companies, societies etc., must be supported by an appropriate resolution / authority, as applicable. The Proxy-holder shall prove his identity at the time of attending the Meeting.

2. The Company's Registrar & Share Transfer Agents are M/s. Link Intime India Private Limited located at C-101,247 Park L B S Marg, Vikroli (West) Mumbai-400083; Tel: 022 49186270 Fax: 022 49186060
3. Map of the venue of the 31<sup>st</sup> AGM is given after the notice.
4. The Register of Members and the Share Transfer Books of the Company will remain closed from Friday, 23<sup>rd</sup> September 2022 to Friday, 30<sup>th</sup> September 2022 (both days inclusive).
5. Members are requested to :-
  - i. Write to the Company at least 7 days before the date of the meeting, in case they desire any information as regards the Financial Statement for the financial year ended 31<sup>st</sup> March 2022, so as to enable the Company to keep the information ready.
  - ii. Bring their copy of the Annual Report, Attendance slip and their photo identity proof at the Annual General Meeting.
  - iii. Intimate to the Registrar & Transfer Agent (R&TA) of the Company immediately, about any change in their address, where the shares are held in electronic form, such change is to be informed to the Depository Participant (DP) and not to the Company/R&TA.
  - iv. Quote Registered Folio no. or DP ID/Client ID no. in all their correspondence.
6. For the convenience of the Members, attendance slip is enclosed in the Annual Report. Members/Proxy Holders/Authorized Representatives are requested to fill in and sign at the space provided therein and submit the same at the venue of the Meeting. Proxy/Authorized Representatives of Members should state on the attendance slip as 'Proxy' or 'Authorized Representative', as the case may be. Further, those who hold shares in demat form are requested to write their Client Id and DP Id and those who hold shares in physical forms are requested to write their folio number on the attendance slip for easy identification at the meeting.
7. In order to curb fraud and manipulation risk in physical transfer of securities and improve ease, convenience and safety of transactions for investors, the Securities and Exchange Board of India in its meeting held on March 28, 2018 decided to amend Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') which deals with transfer or transmission or transposition of securities. According to this amendment, the requests for affecting the transfer of listed securities shall not be processed unless the securities are held in the dematerialized form with a depository. Therefore, for affecting any transfer, the securities shall mandatorily be required to be in demat form. This amendment shall be effective from 5th December 2018. Thus, the members are requested to convert their physical shares into demat form at the earliest so that the liquidity of shares is not affected.
8. Corporate Members intending to send their representatives to attend the Meeting are requested to forward a certified copy of the Board Resolution authorizing their representatives to attend and vote at the Annual General Meeting.
9. In case of joint holders, the vote of only such joint holder who is higher in the order of names, whether in person or proxy, shall be accepted to the exclusion of the votes of other joint holders.

<b>1.9</b>	<b>Profit after Tax (PAT) &amp; after OCI</b>	<b>-6.63</b>	<b>-60.28</b>

During the year under review, there was no revenue from operational activity. The Company has stopped its production activities since Jan 2018. The Company has suffered a loss of Rs. 6.63 lakhs /-in the financial year 2021-22.

Further due to financial crunch, the Company could not repay the working capital loan (secured) to Punjab National Bank and Bank of India, accordingly the accounts of the Company has been classified as non-performing assets by the respective banks with effect from 31-03-2016. Pending confirmation received of the amount payable to Banks, the Company has not provided for interest payable in the financial statement till 31-03-2022, since the same is not quantifiable and accordingly the loss for the year is understated to that extent..

The Management of the Company has been putting in its best efforts to reduce the loss and is hopeful for better results in the coming years.

**2. Dividend:**

In view of loss incurred by the Company, your Directors do not recommend any dividend for the financial year ended 2021-22.

**3. Reserves:**

The Board does not propose to carry any amounts to reserves.

**4. Brief description of the Company's working during the year/ state of Company's affair:**

The Company has currently stopped production of Jewellery. Due to fierce competition and adverse market conditions, the business could not survive. However, the management is putting in every effort to revive the business.

**5. Change in the nature of business, if any:**

During the year there was no change in nature of business.

**6. Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report:**

No material changes have occurred subsequent to the close of the financial year of the Company to which the balance sheet relates and the date of the report.

**7. Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future:**

There were no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future.

However, the management hereby informs that the Bank accounts of the Company have been freezed by the Dy. Commissioner of Sales Tax, Maharashtra since 22<sup>nd</sup> March 2021. Further, due to freezing of bank accounts, the Company could not pay the Annual Listing Fees to BSE Limited and consequently, the trading in securities of the Company is suspended by BSE Limited due to non-payment of Annual Listing Fees w.e.f. 12<sup>th</sup> July 2022 and demat accounts of the promoters and promoter group have been freezed.

Further, BSE Limited has also imposed fine on the Company in relation to non-appointment of Company Secretary vide their email dated 22<sup>nd</sup> August 2022.

#### **8. Details of Holding/Subsidiary/Joint Ventures/Associate Companies:**

The Company did not have any Holding/Subsidiary Company/Joint Venture/Associate Company during the year under review. Accordingly, the following disclosures are not applicable:

- Form AOC-1 pursuant to first proviso to sub-section (3) of section 129 of the Companies Act, 2013 read with rule 5 of the Companies (Accounts) Rules, 2014) under section 134 of the Companies Act, 2013, in Form AOC – 1.

**ANNEXURE - 1**  
**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**Introduction**

India's Gems and jewellery trade contributed 7.5% to India's Gross Domestic Product (GDP) and 14% to India's total merchandise exports. The gems and jewellery sector is likely to employ 8.23 million persons by 2022, from 5 million in 2020.

Based on its potential for growth and value addition, the Government declared gems and jewellery sector as a focus area for export promotion. The Government has undertaken various measures recently to promote investment and upgrade technology and skills to promote 'Brand India' in the international market.

The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or the Government of India.

India is deemed to be the hub of the global jewellery market because of its low costs and availability of high-skilled labour. India is the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by government policies.

**Market Size**

India's gems and jewellery market size was at US\$ 78.50 billion in FY21. Growth in exports is mainly due to revived import demand in the export market of the US and fulfilment of orders received by numerous Indian exhibitors during the Virtual Buyer-Seller Meets (VBSMs) conducted by GJEPC.

India's gems and jewellery exports reached US\$ 39.14 billion in 2021-22, a 54.13% rise from the previous year. In April 2022, India's overall gems and jewellery exports were at US\$ 3.23 billion. The Government of India is aiming at US\$ 70 billion in jewellery export in the next five years (until 2025), up from US\$ 35 billion in 2020.

**Investments / Developments**

The Gems and Jewellery sector is witnessing changes in consumer preferences due to adoption of western lifestyle. Consumers are demanding new designs and varieties in jewellery, and branded jewellers are able to fulfill their changing demands better than the local unorganised players. Moreover, increase in per capita income has led to an increase in sales of jewellery, as jewellery is a status symbol in India.

**Government Initiatives**

- The Government has reduced custom duty on cut and polished diamond and colored gemstones from 7.5% to 5% and NIL.
- Revised SEZ Act is also expected to boost exports of gems and jewellery.
- The government has reduced import duty for Gold & Silver (from 12.5% to 7.5%) and Platinum & Palladium (from 12.5% to 10%) to bring down the prices of precious metals in the local market.
- Hallmarking of gold jewellery is set to begin from June 15, 2021. In view of the COVID-19 pandemic, the government accepted request of stakeholders to provide jewellers some more time to prepare for implementation and resolve issues. Earlier, the date of implementation was June 01, 2021.

**Key Issues Facing The Players**

**Large Presence of Unorganised Sector**

The majority of India's diamond workforce is employed by small units that process diamonds on a job-lot basis. At the low-end, family units process diamonds & makes jewellery. However, the share of the unorganised sector in the Indian Gems Jewellery business is declining.

**Outlook**

The Indian GDP growth during the Financial year was the lowest number during the past eleven years. The possibility of a recovery of demand in Financial year has been derailed by COVID-19 led lockdown and the subsequent continued economic slowdown in the country. All the rating agencies are predicting a shrinkage in the country's GDP during the current fiscal. This can have a prolonged negative impact on gold demand because of the possibility of a further reduction in the overall discretionary spend. The volatility in gold prices is also expected to hurt consumer sentiments. Near term prospects for the industry are not too bright owing to the economic slowdown impacting disposable incomes negatively and leading to low consumer sentiments.

In the coming years, growth in Gems and Jewellery sector would be largely contributed by the development of large retailers/brands. Established brands are guiding the organised market and are opening opportunities to grow. Increasing penetration of organised players provides variety in terms of products and designs. Also, the relaxation of restrictions of gold import is likely to provide a fillip to the industry. The demand for jewellery is expected to be significantly supported by the recent positive developments in the industry.

**Operations**

Operations: During the year under review, the Company has had no production activities. There is no sale in the current year. Due to stoppage of production, the expenditure has reduced leading to reduction in loss. The Company has suffered a loss of Rs. 6,63,252.00/- compared to loss suffered in the previous year of Rs. 60,28,215/-.

Also the Company's accounts with its banks are in non-performing assets since 2015 leading to stoppage of Company's operations. The Management of the Company has been putting in its best efforts to revive its business operations and mitigate the losses and is hopeful for better results in the coming years.

**Internal Controls & their adequacy**

The Company has in place adequate system of internal control. It has documented procedures covering all financial and operating functions.

**Human Resources & Industrial Relations**

The Company's Human Resources philosophy is to establish and build a strong performance and competency driven culture with greater sense of accountability and responsibility.

The industrial relations scenario remained unchanged throughout the year.

## Independent Auditor's Report

---

To the Members of M/s. **NEOGEM INDIA LIMITED**  
**Report on the Standalone Financial Statements**

---

### Opinion

We have audited the accompanying standalone financial statement of Neogem India Limited (hereinafter referred to as the "Company"), for the year ended on March 31, 2022 ("the statement") which comprise the balance sheet as at 31 March, 2022, and the statement of Profit and Loss including other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Emphasis of Matters

Attention is invited to Note No. 20 in the financial statement, which indicate that the company has incurred a loss of Rs. 6.63 Lakh during the year and as at 31st March, 2022 has a **negative net worth** of Rs. 3,453.18 Lakh, if provision for the unrealized sundry debtors outstanding for more than three years amounting to Rs. 4110.67 Lakh is made by the company. The company's current liability has exceeded current assets of the company, subject to not considering sundry debtors as amount outstanding are unconfirmed by the parties and outstanding for more than three years.

These condition along with Other Matters set forth, indicate the material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. In absence of sufficient appropriate audit evidence in support of management's assessment regarding going concern basis of accounting is appropriate. Our opinion is not modified in respect of this matter.

### Other Matter

Without qualifying our opinion, we draw attention to financial statement relating to cash credit limit from Punjab National Bank and Bank of India for Rs. 10 crore and 5 crore respectively, which has been classified as "Non – Performing Assets" by the lead banker as on 31-03-2016. The company has not received balance confirmation from the bankers as on 31-03-2022. Pending confirmation received the company has not provided for interest payable in the financial statement till 31-03-2022, since the same is not quantifiable and accordingly the loss for the year is understated to that extent.

The company has stopped manufacturing activities since 01-01-2018 and no detailed plans are made available to us regarding commencement of business activity in near future. The company is in the process of restructuring/revival of its business, in view of the management's expectation of the successful outcome of revival of its business the financial statement has been prepared on going concern basis. However, in view of the above uncertainty we are unable to comment on the ability of the company to continue as a going concern and the consequential adjustment to the

accompanying financial statement if any that might have been necessarily had the financial statement been prepared under liquidation basis.

We refer to the outstanding debtor's receivable as reflected in current assets of Rs. 4,110.67 Lakh which are outstanding for more than three years. The amount outstanding are unconfirmed by the parties. In our opinion the provision for the amount outstanding for more than three years of Rs. 4110.67 Lakh be made as these are unrealized and unconfirmed by the parties, no steps have been taken in the current year either to confirm the balances from parties or for recovery of amount from parties outstanding for over three years.

We refer to the outstanding creditor's payable as reflected in current liabilities of Rs. 1582.47 Lakh which are outstanding for more than three years. The amount outstanding are unconfirmed by the parties. In our opinion the amount outstanding for more than three years be written back, no steps have been taken in the current year to pay the balances to parties or for settlement of amount outstanding for over three years.

We refer to the outstanding provisions of Rs. 83.18 Lakh towards expenses of Rent & Water charges as reflected under other current liabilities are outstanding for more than three years. The amount outstanding are unconfirmed by the parties. In our opinion the amount outstanding for more than three years be written back, no steps have been taken in the current year to pay the balances to parties or for settlement of amount outstanding for over three years

#### **Other Information**

Information Other than the Standalone Financial Statements and Auditor's Report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises of the information included in Director's Report, Management Discussions and Analysis (MD&A) and Corporate Governance Report, but does not include the financial statements and our auditor's report thereon, which we obtained on the date of this Auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report the fact. We have nothing to report in this regard.

#### **Management's Responsibilities for the Standalone Financial Results**

The standalone financial results have been prepared on the basis of the standalone annual financial statements.

The Company's management and the Board of Directors are responsible for the matters stated in Section 134 (5) of the Act and for the preparation and presentation of the statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standard prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulation. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the afore said financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has no pending litigation hence no impact of pending litigations on its financial position in its financial statements.
    - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
    - iii. There is not required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **NEOGEM INDIA LIMITED** of even date)

**Independent Auditor’s Report on the Internal Financial Controls with reference to Standalone Financial Statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls with reference to financial statement of **NEOGEM INDIA LIMITED** (the “Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to the financial statement.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to the Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**

The annexure referred to in our Independent Auditor's Report to the member of NEOGEM INDIA LIMITED for the year ended March 31<sup>st</sup>, March 2022.

- 1) In respect of the Company's Property, Plant and Equipment:
  - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - b. The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year in a phased manner and no material discrepancies between the book's records and the physical fixed assets have been noticed.
  - c. The company does not hold any immovable properties hence the said sub-clause is not applicable.
  - d. The company has not revalued its Property, Plant and Equipment (including right of use assets) or intangible assets.
  - e. No proceedings have been initiated or are pending against the company for holding any benami property under the Benami transaction (Prohibition) Act 1988 (45 of 1988) and rules made thereunder.
- 2)
  - a. As explained to us the inventory has been physically verified during the year by the Management at reasonable intervals. In our opinion, the frequency of verification is reasonable having regard to the size of the company and the nature of its business. In our opinion, the procedures of physical verification of inventories followed by the Management are reasonable and adequate in relation to the size of the Company and nature of its business. The discrepancies noticed on physical verification of inventory by management as compared to book records were not material.
  - b. During the year, the company has not availed any fresh working capital hence the said clause is not applicable.
- 3) The Company has not granted unsecured loans or advances to companies covered in the Register maintained under section 189 of the Act. Hence reporting under clause 3 (iii) of the Order is not applicable to the Company.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, in respect of loans, investments, guarantees, and security, as applicable.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7) According to information and explanations given to us and on the basis of our examination of the books of account, and records:
  - a. the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2022 for a period of more than six months from the date on when they become payable.
  - b. According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
- 8) According to information and explanations given to us and on the basis of our examination of the books of account, there are no transactions which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

**Notes to financial statements for the year ended March 31, 2022****Note-1 & 2**1. Overview of the Company

Neogem India Limited (herein after refer as “Neogem”) is a public limited company engaged in the business of manufacturing and trading of Gems & Jewellery.

2. Significant Accounting Policies:Basis of preparation

## a. Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

## b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities that is measured at fair value;

Investments and other financial assets:

*Classification*

The Company classifies its financial assets in the following measurement categories:

Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost.

The Classification depends on the entity’s business model for managing the financial assets and the contractual term of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable Election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

*Measurement*

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

*Equity instruments*

The Company subsequently measures all equity investments at fair value. Where the Company’s management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

*Impairment of financial assets*

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

*De-recognition of financial assets*

A financial asset is derecognised only when:

The group has transferred the rights to receive cash flows from the financial asset or

Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the group has not retained control of the financial asset. Where the group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

A financial liability is recognised when the obligation specified in the contract. Is discharged, completed or expired.

#### Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

#### Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

#### Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits with banks and short term highly liquid investments, which are readily convertible into cash and have original maturities of three months or less from the Balance Sheet date.

#### Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

#### Recognizing revenue from major business activities

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured.

#### Income from Services

Revenue from services rendered is recognized as the service is performed based on agreements/ arrangement with concerned parties and revenue from end of the last billing to the balance sheet date is recognized as unbilled revenue.

#### Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### Earnings per share

##### *Basic earnings per share*

Basic earnings per share is calculated by dividing: the profit attributable to owners of the Company By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

##### *Diluted earnings per share*

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

#### Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

#### Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of an asset which takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of such assets, until such time the asset is substantially ready for its intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period they occur. Borrowing costs consist of interest and other costs incurred in connection with borrowing of funds.

Other borrowing costs are expensed in the period in which they are incurred.

#### Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent cost is included in the asset's carrying value amount recognized as a separate asset as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation / Amortization

Depreciation on property, plant & equipment is provided as specified in Schedule II to the Companies Act, 2013.

Trade and other payables:

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

#### 15(b) Fair value hierarchy

No financial instruments are recognised and measured at fair value for which fair values are determined using the

During the year there are no financial instruments which are measured at Level 1 and Level 2 category.

The fair value of financial instruments referred above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The categories used are as follows :

Level 1: This hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between the levels during the year.

#### Valuation processes :

For level 3 financial instruments the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

The carrying amounts of all financial assets and liabilities are considered to be the same as their fair values.

### Note 16: Financial risk management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The key risks and mitigating actions are also placed before the Audit Committee of the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

#### A. Management of Liquidity Risk:

Liquidity risk is the risk that the company will face in meeting its obligations associated with its financial liabilities. The company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the company's credit rating and impair investor confidence.

The following table shows the maturity analysis of the company's financial liabilities based on contractually agreed undiscounted cash flows as at the balancesheet date:

	Less than 1 year	1 to 5 years	More than 5 years	Total	Carrying Amount
Borrowings	310.00	1,482.76	-	1,792.76	1,792.76
Other Financial liabilities					
Trade payables	4.29	-	1,588.85	1,593.14	1,593.14

#### B. Management of Market risks

Market risks comprises of:

- price risk; and
- interest rate risk

The company does not designate any fixed rate financial assets as fair value through profit and loss nor at fair value through OCI. Therefore company is not exposed to any interest rate risks. Similarly company does not have any financial instrument which is exposed to change in price.

#### C. Management of Credit Risks

Credit risk is the risk of financial loss to the company if a customer or counter-party fails to meet its contractual obligations.

##### Trade receivables

Concentrations of credit risk with respect to trade receivables are limited, due to the company's customer base being large and diverse and also on account of

member's deposits kept by the company as collateral which can be utilised in case of member default. All trade receivables are reviewed and assessed for default on a quarterly basis.

Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

Company is not exposed to any other credit risks.

#### D. Capital Management

The company considers the following components of its Balance Sheet to be managed capital:

Total equity as shown in the balance sheet includes retained profit and share capital.

The company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure. company is not subject to financial covenants in any of its significant financing agreements.

The management monitors the return on capital as well as the level of dividends to shareholders.

#### (a) Offsetting arrangements

##### (i) Trade receivables and payables

The group gives volume-based rebates to selected trade customers. Under the terms of the supply agreements, the amounts payable by company are offset against receivables from the trade customers and only the net amounts are settled. The relevant amounts have therefore been presented net in the balance sheet.
