To the Board of Directors of M/s. **Neogem India Limited**("the Company")

1. We have audited the accompanying statement of standalone financial results of Neogem India Limited ("the Company"), for the quarter and year ended on March 31, 2020 ("the statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and disclosure Requirements) Regulation, 2015. 2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Those Standard require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the statement

3. We refer to the short term borrowing relating to cash credit limit from Punjab National Bank and Bank of India for Rs. 10 crore and Rs. 5 crore respectively, which has been classified as " non-performing assets" by the lead banker as on 31-03-2016. The company has not received balance confirmation from the bankers as on 31-03-2020. Pending confirmation received the company has not provided for interest payable in the financial statement till 31-03-2020, since the same is not quantifiable and accordingly the loss for the year is understated to that extent.

   We refer to the outstanding debtor's receivable as reflected in current assets of Rs. 41,10,67,159/- which are outstanding for more than three years. In our opinion the provision for the amount outstanding for than three years of Rs. 41,10,67,159/- be made as these are unrealized and unconfirmed by the parties, no steps have been taken in the current year either to confirm the balances from parties or for recovery of amount from parties outstanding for over three years.

   Had the amount been provided, the losses would have been higher by this amount.

   We refer to the outstanding creditor's payable as reflected in current liabilities of Rs. 15,82,47,094/- which are outstanding for more than three years. In our opinion the amount outstanding for than three years of Rs. 15,82,47,094/- be written back, no steps have been taken in the current year to pay the balances to parties or for settlement of amount outstanding for over three years.

   Had the amount been written back, the losses would have been lesser by this amount.

   We refer to the outstanding cash credit limit from bank of Rs. 15 Crore excluding interest payable and further the company has stopped manufacturing activity since 01-01-2018 and no detailed plans are made available to us regarding commencement of business activity in near future. The company is in the process
